

## Instructions for Zapcodes

ZapWorks (<https://zap.works>)

You will need:

1. Smartphone, either Android or Apple.
2. Computer or laptop.
3. App reader for the Zapcodes.

How to access the **free** Zappar app.

Access either the Apple App Store or Google Play.

Type Zappar in the search bar to access the app.

Download and install.

Once the app is installed, open it and aim (like reading a QR code) at the symbol.

Once you see the images appear and the music plays, touch the rotating circles one at a time. Swipe your finger across the pictures to see each one. Touch the web pages and look around.
